

The Engaged Manager

Coach David R Meyer

Speaking Introduction:

Coach David R Meyer is nationally known author, speaker, trainer, and mentor coach who believes that the only difference between obstacles and stepping stones are the way they are used.

David is a Certified Behavioral Consultant specializing in the use of DISC through the Institute for Motivational Living, and has been certified by CEO Partnership in Assessing, Training, and Coaching Emotional Intelligence. Dave is also an expert in the implementation of Organizational and Personal 360° Feedback systems.

David combines his certifications with personal experience to provide leadership development that is based on real world situations for real world leaders.

Over the years, Coach David R Meyer has facilitated a variety of programs on communication, conflict resolution, team development, and behavioral interviewing. He has also used his expertise in leadership and team dynamics to create custom solutions and workshops, including: Adventures in Leadership, The Two Faces of a Manager, and The Essential Elements of a Team.

David wrote "*The Engaged Manager*" to share the tips and techniques that he has found to be the key to success at all levels of management. Now you can bring the secrets of "*The Engaged Manager*" directly into your organization to Engage your managers today.
